## Guidelines on Conducting Business with Suppliers and Determination of Payment Terms for Suppliers

The Company recognizes the importance of its suppliers and treats all suppliers fairly and equitably. The Company strictly complies with contractual obligations and agreed commercial terms and conditions. The Company also places importance on liquidity management. In the event that the Company is unable to comply with any agreed conditions, the Company will promptly notify the supplier in order to jointly determine appropriate solutions based on reasonableness. The Company has established and communicated payment terms to suppliers. The average credit term is 30 days, depending on the agreement between the Company and each supplier. The actual average payment period to suppliers is within the specified credit term.

Credit Term Period	Actual Average Payment Period in 2024
30 days	22 days
